SO ₂ Reduction	0.24 tons/year
NO _x Reduction	0.09 tons/year

Environmental Equivalents*

- Planting 17 acres of trees
- Removing 15 cars from the road
- Saving 7,566 gallons of gasoline annually
- Reducing oil demand by 180 barrels annually

"We are very happy with the results! We have increased our lighting on the exterior areas and decreased our lighting cost. Love the light fixtures by the service doors - that was a dramatic improvement! This project went without a hitch. Delivery of the new fixtures and pickup of the old ones for recycling is an added bonus."

Todd Beay

Maintenance Manager
Coca-Cola Enterprises
